

Instructions for drivers

The Busto Arsizio-Gallarate terminal has adopted a series of anti-contagion measures in compliance with current regulations. Drivers are required to strictly observe the below instructions, the sign and notices present and the indications of Hupac personnel.

- 1. Access to the terminal is forbidden to people with fever symptoms or who have come into contact with people infected by coronavirus**
- 2. It is mandatory to wear the mask provided by the employer**
- 3. It is mandatory for the driver to remain in the driver's cab when entering the terminal and during check-in operations of the unit**
- 4. For the handling of objects and documents and the use of snack and beverage vending machines, drivers are invited to use gloves and disinfectant material provided by Hupac**
- 5. It is mandatory to observe at least 1 meter distance from all those present**
- 6. The entrance of maximum 2 people is allowed at the same time at the counters**
- 7. One person at a time is allowed to enter the services and the refreshment room**
- 8. We remind you that it is forbidden to take photographs or video footage on the entire terminal area.**
