The screenshot displays the Freightos website interface on a laptop screen. The top navigation bar includes the Freightos logo, links for 'NEW SEARCH', 'QUOTES', 'SHIPMENTS', and 'SELLERS', a phone number '1 (855) 588 5873', a 'Sell on Freightos' button, and a 'How it works' button. The main heading reads 'Better freight shipping. Guaranteed.' with a subtext: 'No hidden costs. Instant comparisons. 24/7 support. Specializing in imports from China to US.'

The form is divided into two main sections: 'Ship Pallet/Box/Crates' and 'Ship Containers'. The 'Ship Containers' section is active, showing a 'QTY' of 1, 'Load type' as 'Standard', and 'Container size' options including 20', 40' (selected), 40'HC, 45'HC, and an 'Overweight' checkbox. An 'Add Load' link is present.

Below this, the 'Pickup goods from' section includes 'Location type' (Factory / Warehouse), 'Country' (China), and 'City / Zip code (Postal code)' (Shenzhen, Guangdong). The 'Deliver goods to' section includes 'Location type' (Business (with Loading d...)), 'Country' (United States of America), and 'City / Zip code (Postal code)' (Chicago, IL 60645).

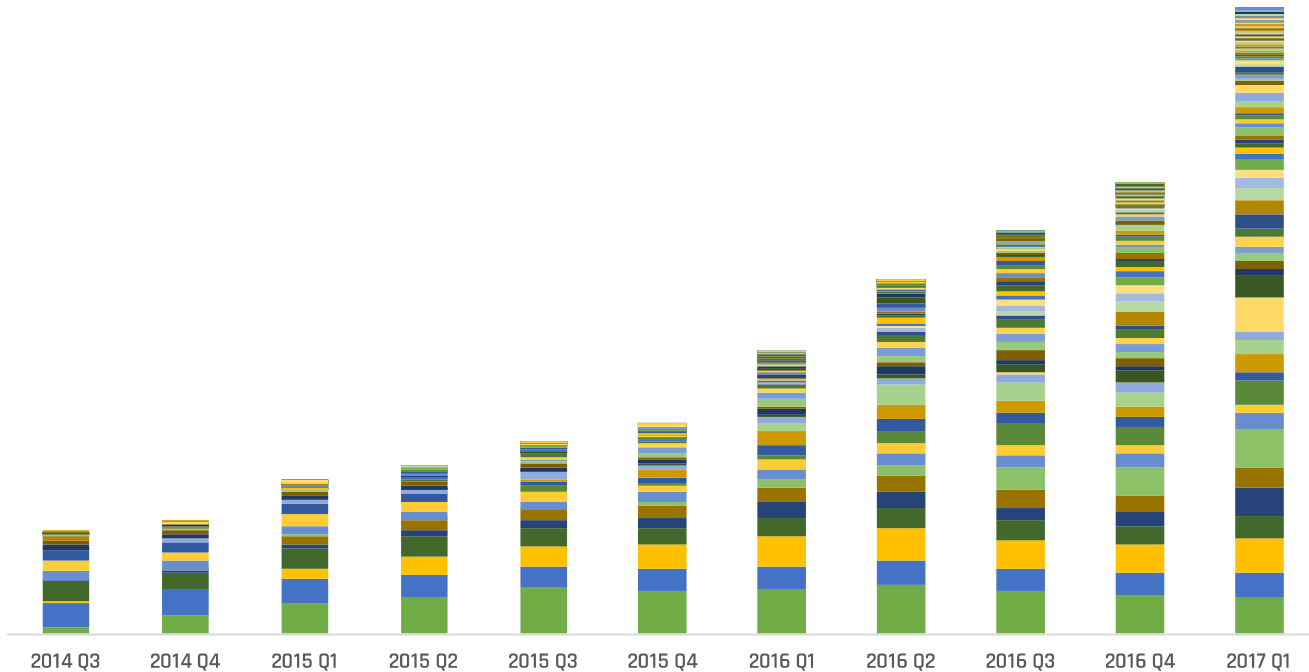

The 'Optional Services' section at the bottom features checkboxes for 'Add Insurance (Goods value)', 'Hazardous', and 'Personal effects'. The 'Customs brokerage (# of commodities)' is checked, with a value of 1. A question 'Do you have a customs bond?' has 'YES' and 'NO' options. A large green 'SEARCH & BOOK' button with the text 'Ocean and Land' is positioned to the right. A chat icon is visible in the bottom right corner.
