

Connecting Duisburg DIT terminal to Poland

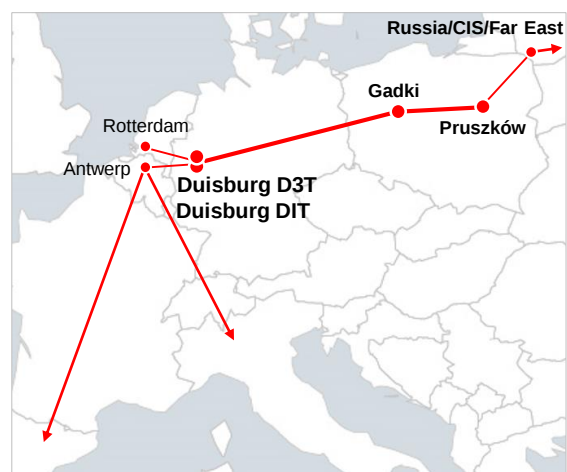

As from 08.03.2019, intermodal transport from/to Poland can count on the service of the Duisburg DIT terminal in addition to the Duisburg D3T terminal.

The following operational split will apply:

- > Containers and tank containers will be handled in Duisburg DIT
- > Trailers will be handled Duisburg D3T.

With this new operational solution, Hupac and its partner Metrans offer an improved intermodal service:

- > Full integration into the Hupac network with direct train-to-train transhipment from/to Rotterdam and Antwerp at Duisburg DIT terminal
- > Connection to Gadki and Pruszków terminal in Poland
- > Reliable rail service/traction in cooperation with Metrans Rail
- > Use of interoperable locomotives for quick border crossing
- > Frequency increase foreseen in April 2019.

Main features

Start-up	08.03.2019
Frequency	2 departures per week / direction as of March 3 departures per week / direction as of April
Profile	C70 C400 P400
Bookings	via WOLF web booking via EDI system Ediges
