

Belgium, the heart of our intermodal network

A strong network

Hupac offers a highly diversified network to satisfy your transport needs from/to Belgium:

- Antwerp with 80 trains per week reaching a large number of destinations in Italy, Spain, France, Germany, Switzerland, Austria, Hungary, Turkey, Poland, Russia and China.
- Zeebrugge with 20 trains per week from/to Italy and Germany.
- Solutions for continental and maritime inland transport.

What's new?

The **Antwerp ⇌ Busto** shuttle will be upgraded to profile P400 starting from December 2020, with 20 round-trips per week.

The **Zeebrugge ⇌ Busto / Novara** connections foresees a full schedule of P400 connections with 17 departures per week. From/to Novara we offer regular rail services to Pescara and Bari, all fit for P400 trailers.

The **Antwerp ⇌ Switzerland** relation admits P400 trailers starting from December, with 7 weekly round-trips. As for maritime inland transport, we can take care of the whole transport chain between the Port of Antwerp and private sidings in Switzerland.

The **Antwerp ⇌ Warsaw** shuttle offers 3 roundtrips per week, with farther connections to destinations in Poland (P400 admitted), Russia, ex-CIS countries and Far East.

Your feedback

An Antwerp intra-port service connecting left & right bank is in study. Interested? Give us your feedback!
